Dear Premier,

I write on behalf of my constituents regarding the roadmap out of lockdown for LGAs of concern. It is imperative the Liberal Government give certainty to people in my electorate on whether or not they will be afforded the same freedoms as other parts of Sydney when lockdown eases.

As you can see from the chart below, post codes in my electorate (in red) have consistently had fewer case numbers than suburbs in the Liberal-held seat of Penrith (in blue) that are not subjected to harsher restrictions. This is unfair and unacceptable.

ACTIVE COVID CASES PER POSTCODE
24 AUGUST 2021 - 7 SEPTEMBER 2021

Sydney is a tale of two divided cities. People in South-West and Western Sydney are doing the right thing and getting vaccinated. Yet we are still under the harshest restrictions in the State, despite other areas having lower rates of vaccination and higher cases numbers.

When it's time to ease the lockdown, it's only fair that the Liberal Government re-opens all areas of Sydney – together. I would be grateful for your advice on this matter.

Yours sincerely,
