

THE **LIBERAL GOVERNMENT**
CONTINUES TO
FAIL
US ON OVERDEVELOPMENT

Turn over to sign my petition to protect our
suburban character and green open space

STOP THE SQUEEZE

IT'S TIME TO STOP THE SQUEEZE

One year ago I released my Stop the Squeeze report on overdevelopment. The Liberal Government's report card is appalling:

- (F) Plans for high-rise monstrosities during a shoddy building crisis
- (F) Selling off the Hurlstone farm to developers
- (F) Allowing development to destroy our Scenic Hills
- (F) Inaction on commuter car parking crisis, congested roads and overcrowded public transport

Yes, I call on the Liberal Government to scrap plans for high-rise in local suburbs. Include your personal message here and return the flyer to my office, free of charge
